## Our Services

CHANGING LIVES ONE CAREER AT A TIME

Career Planning: Discuss reasonable short/long-term employment goals and current and projected position earnings based on the current minimum wage rate.

Job-Specific Supports and Career Services: Including, but not limited to, career counseling, job search and job placement assistance, benefits counseling, job application completion, resume writing, and interview skills. Once you are employed, we can help you maintain employment, find another job if you'd like, or find options to increase your earnings.

Ongoing Case Management: Throughout your work plan, we will spend time virtually, by phone, or in person discussing resources to assist you with becoming employable, obtaining employment, maintaining employment, and finding ways to increase your income.

Social Security Objective Management: Social Security reviews your progress regularly to determine if you are meeting those goals. Timely Progress Reviews consider your work, earnings, and any training or education you've received to help you find and maintain employment.

## Employment Network Services

DESIGNED FOR ADULTS AGES 18+

TREN's Social Security Ticket to Work (Ticket) program serves individuals who desire to work from 18 to 64 years old. The program will assist individuals with disabilities in achieving their employment status goals. In addition, the program will allow individuals with disabilities to increase their financial independence and less dependence on Social Security disability benefits. The service for this program is free and voluntary.

The Ticket program will allow you to work with a service provider who will discuss your employment goals and the support services you need to succeed in your employment search.

You, along with your provider, will develop an agreement referred to as an Individual Work Plan (IWP). This agreement will detail specific employment services and supports to assist you with becoming financially independent.

## Terri Rose

FOUNDER AND CEO

Terri Rose Employment Network (TREN) is an organization that provides employment services for individuals who have encountered difficulty obtaining, maintaining, and retaining employment.

Our mission is to assist Ticket-to-Work customers with self-sufficiency without being dependent on Social Security income. TREN provides assistance in building a variety of skills that are necessary for work environments, allowing individuals to achieve positive employment outcomes.
